01 Introduction

We, at **NMAM Institute of Technology**, are pleased to present a comprehensive proposal for a three-day **National Level Tech Fest** on our campus. This event will feature a **36-hour hackathon**, complemented by engaging tech conferences, networking activities, and more.

Our vision is to bring together 60 teams from leading Indian engineering colleges, fostering an environment of innovation and collaboration. With a total of 50 hours on-site, including an intensive 36 hour hackathon competition, we aim to provide participants with a platform to showcase their skills and creativity. This proposal outlines the event's dates, goals, format, logistics, and expected outcomes.

02 Overview

50Hr
On-Site Event

18 | 19 | 20
APRIL 2025

36Hr
Hackathon

60 Teams of
3-4 Students

₹ 2,50,000+
Prize pool

Hosted at
**NMAM Institute

Our Sponsors

Palo Alto Networks

As a global cybersecurity titan, Palo Alto Networks redefines digital protection with AI-driven security, robust cloud defense, and cutting-edge threat intelligence.

By powering Hackfest, they invest in the future, equipping aspiring technologists with the skills to combat ever-evolving cyber threats. Their dedication ensures a future where security and innovation go hand in hand.

Inflow Technologies

A beacon of data security, Inflow Information Integrity pioneers advanced risk management and protection solutions, enabling businesses to operate with unwavering trust.

As a powering sponsor of HackFest, they foster an environment where emerging talent builds secure, future-ready solutions, shaping a generation of cybersecurity leaders committed to data integrity.

The Rakuten logo is displayed in red text within a white rounded rectangle. The word "Rakuten" is in a bold, sans-serif font, with a red swoosh underline beneath the "n".

Rakuten

Rakuten

Rakuten, a global leader in digital services, revolutionizes e-commerce, fintech, and AI-driven solutions through relentless innovation.

As a co-powering sponsor of HackFest, they nurture the next generation of problem solvers, empowering them to push technological boundaries and drive meaningful change in the digital world.

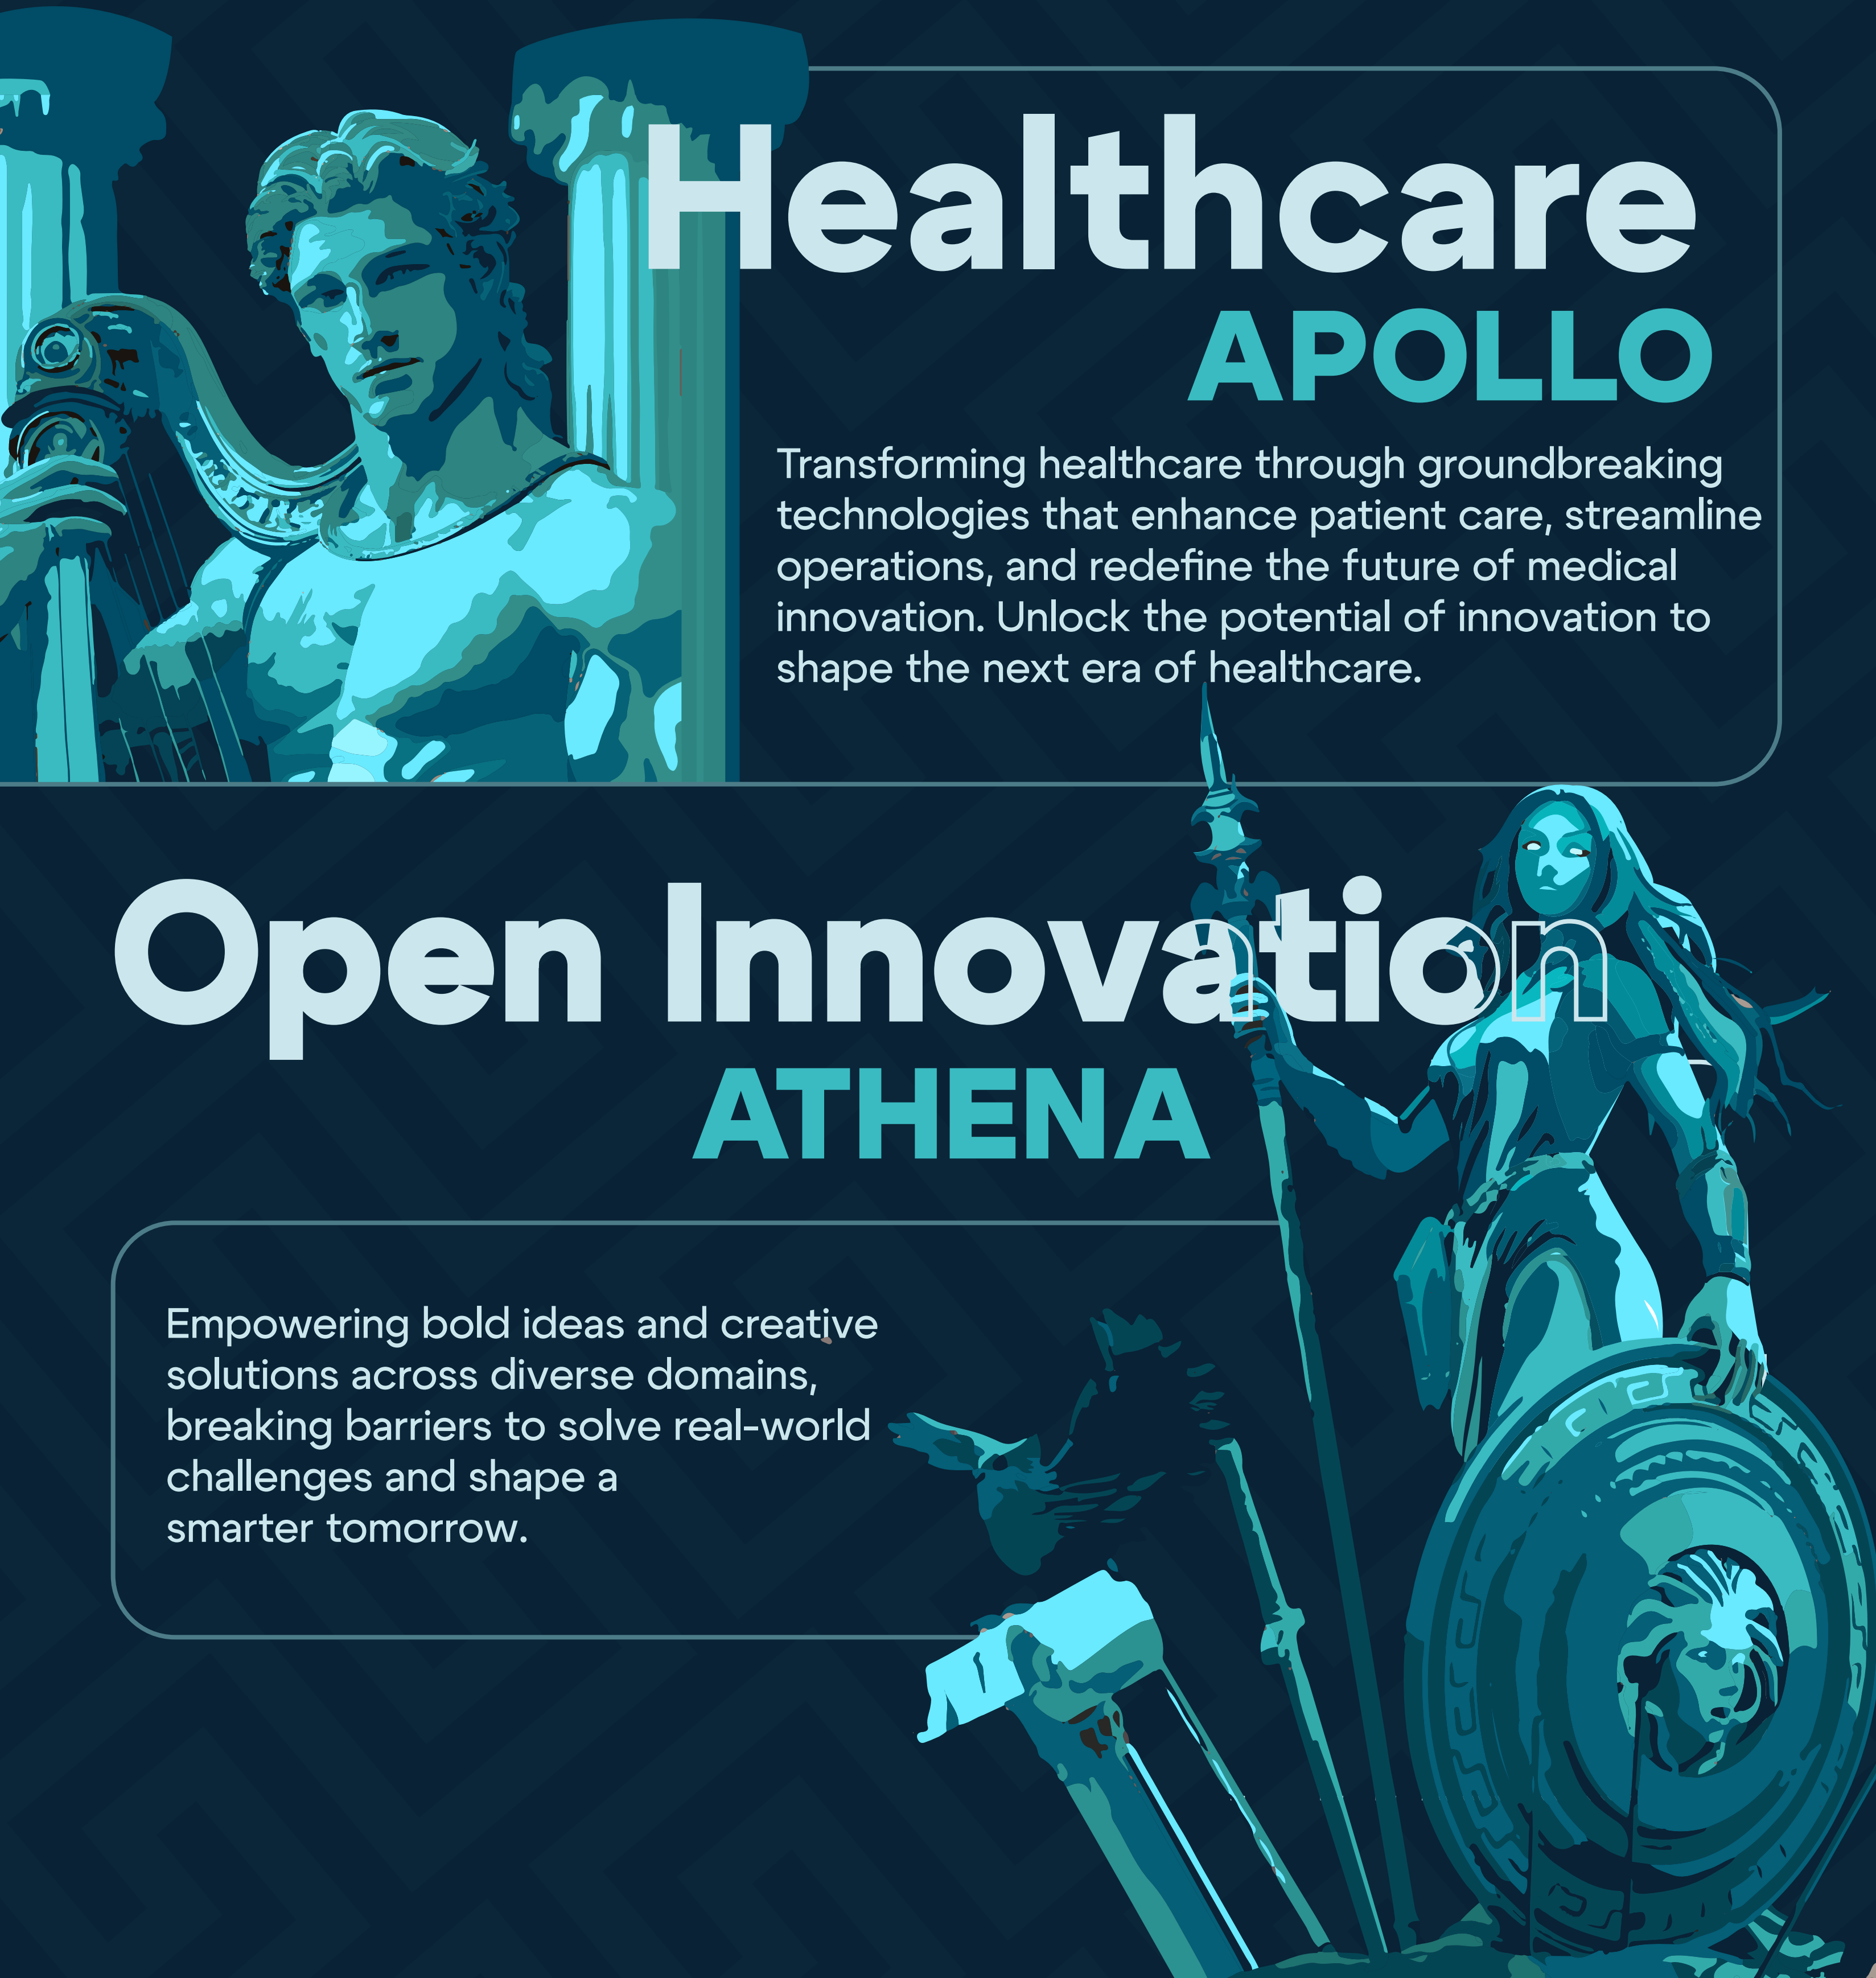

04 the Hackfest Arena

Healthcare APOLLO

Transforming healthcare through groundbreaking technologies that enhance patient care, streamline operations, and redefine the future of medical innovation. Unlock the potential of innovation to shape the next era of healthcare.

Open Innovation ATHENA

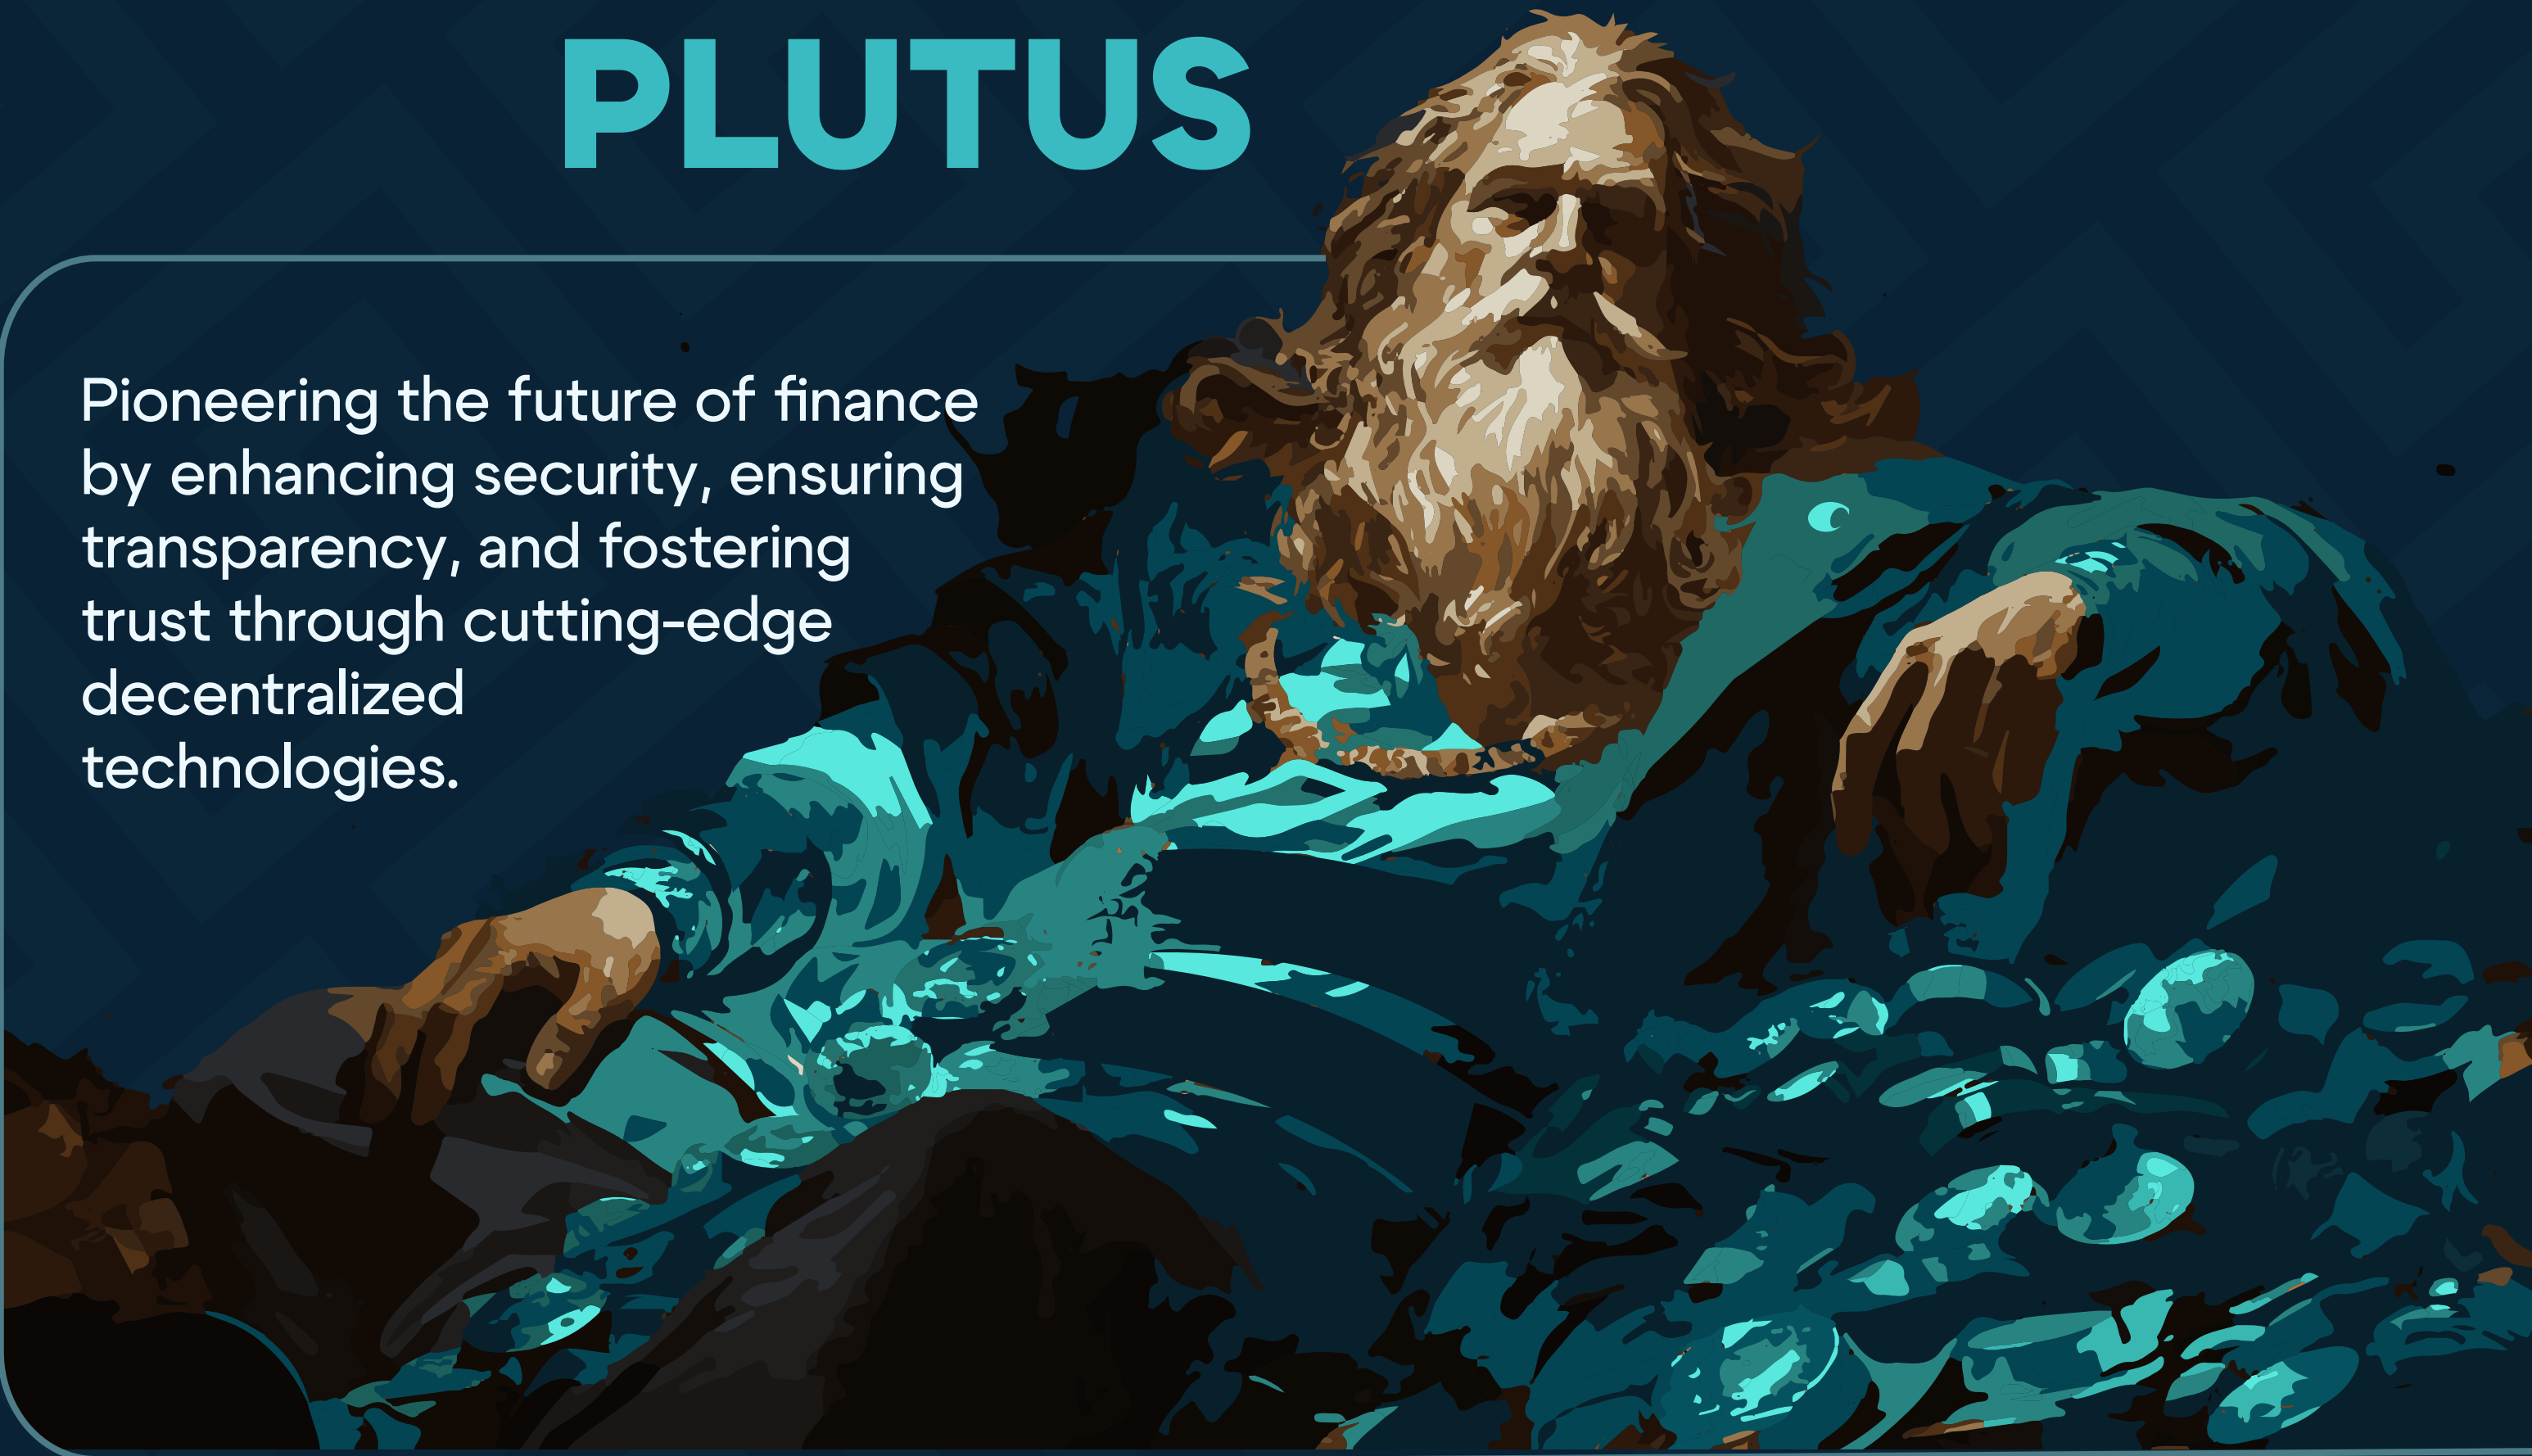

Empowering bold ideas and creative solutions across diverse domains, breaking barriers to solve real-world challenges and shape a smarter tomorrow.

FinTech

PLUTUS

Pioneering the future of finance by enhancing security, ensuring transparency, and fostering trust through cutting-edge decentralized technologies.

Logistics

HERMES

Reimagining the movement of goods and services with smart, efficient, and tech-driven solutions to optimize supply chains and elevate global connectivity.

Sustainable Development

DEMETER

Driving sustainable change with innovative technologies that combat environmental challenges, promote renewable energy, and build a cleaner, greener future. Harness the power of innovation to pave the way for a sustainable tomorrow.

About Us

Established in 1986, NMAM Institute of Technology is a premier technical institution under Nitte (Deemed to be University), Mangaluru, recognized by AICTE. Ranked 101-150 in NIRF 2024, NMAMIT is known for its industry linkages and global collaborations, shaping a vision of excellence, empowerment, and community partnership.

Finite Loop Club (FLC) is the premier coding club at NMAMIT, dedicated to realising and inspiring ideas. FLC provides opportunities to work with the latest trending tech stacks, access workshops, secure internships, engage in peer-to-peer learning, attend guest lectures by renowned experts, and collaborate on real time projects. Our coding contests enhance analytical and problem-solving skills.

Supporting Bodies

09

CSI

The Computer Society of India (CSI) is a hub for tech enthusiasts, bridging academia and industry through innovation, research, and knowledge exchange. It is a thriving professional organization for students and professionals, fostering growth through dynamic events, industry collaborations, and various learning experiences.

TASC – Dept. of AIML

The AIML branch fosters innovation, skill development, and ethical AI practices to empower future engineers. We support this hackathon in driving creative solutions, collaboration, and real-world problem solving through AI and ML.

RACHANA

Rachana Club is a community of creative artists and thinkers who bring art and visual appeal to college fests and events, along with conducting events to cultivate creativity and instill a sense of joy and collective effort to focus on the holistic aspects of an individual’s life.

As the official art and creative club of the college, they are committed to bringing any event to life by installing decorations, and improving the visual experience of the members involved.

SAMVAADA

Samvaada is a vibrant community of talented individuals who are deeply passionate about capturing and sharing the true essence of college life. As the official social media club of our college, they are committed to creating a dynamic and engaging online ecosystem that resonates with students. Their goal is to foster meaningful engagement, strengthen connections, and cultivate a sense of belonging among the college community, ensuring that everyone feels connected and involved in the shared college experience.
